## After the Transition Year– what now ? Information evening for parents/guardians

February 2<sup>nd</sup>, 2024

Dear Parent(s)/Guardians,

We hope that our students have enjoyed Transition Year so far and that this year has helped them make more mature and informed decisions for next year and for the future. Next year they have two options open to them at DVS – they can follow the Leaving Certificate programme which includes the LCVP or they can opt for the Leaving Certificate Applied Programme. Those following the Leaving Certificate /LCVP route will now have to select their subjects for next year.

An information meeting for parents/guardians will take place in the Mayflower on **Wednesday 7<sup>th</sup> February at 7:00pm** – immediately following the TY parent/teacher meeting

We will explain the subject choice process and parents will be given instructions on how to complete the preference form on-line. This meeting is only for Parents/Guardians and we will meet with the students separately during school hours to explain the process.

After this meeting, students will be required to make their preferences in consultation with their Parents/Guardians. The Career Guidance Counsellor will be available to advise on an individual basis throughout the choice making process.

Yours sincerely

Martin Fallon
